

**Application for Admission to the PhD Program
from an NC State University Master's Program in the ECE Department**

To: Dr. Paul Franzon, Director of Graduate Programs

Student Name: _____ **ID #** _____

I wish to apply for admission to the following PhD program:

PhD - Electrical Engineering

PhD - Computer Engineering

Area of Interest: _____

Student Signature: _____ Date: _____

Faculty Endorsements:

Interim Academic Advisor:

I will serve as the student's Interim Academic Advisor until they have Unconditionally Passed the Qualifying Review Exam or have been released from graduate study. I will Chair or Co-Chair the student's Advisory Committee and will make every effort to support the student as a Research Assistant if they are able and willing to attain the degree under my direction. I have met with the student to explain my conditions for directing and supporting their research.

The student may be admitted to the PhD program before completing all MS degree requirements

The student must complete all MS degree requirements before being admitted to the PhD program

Interim Academic Advisor:
