Internal Funding Opportunities Brochure

[RDO](#) oversees several units that offer internally sponsored opportunities for seed funding, research equipment, interdisciplinary research and other research infrastructure.

- Some internal funding opportunities are managed by RDO's [Funding](#) unit.
- Additional internal funding opportunities are managed by [NC State Centers and Institutes](#) and other units with assistance from RDO as needed.
- Below is a compilation of opportunities. Questions and requests for additional information should be directed to the appropriate program contact.
- Please sign up for RDO's [funding listserv](#) to receive important announcements regarding these and other funding opportunities.
